COLOR AND ILLUSION IN MODERN QUILTS

with Lauren Kingsland

You will be creating your own workbook about color and illusion. Some students may wish to repeat a given exercise in several color ways which will require additional muslin blanks and page protectors.

Tools, supplies, materials

- Ruler
- Pencil
- 1" looseleaf binder
- Color wheel of any size
- Clear page protector sheets for the binder - about 20 pages
- Rotary cutter, mat and ruler (small version is fine)
OR fabric scissors
- Iron, ironing board, pressing cloth

For fabric exercises

- 8 x 10" muslin squares - 12 to 15
- WonderUnder or similar fusible webbing material - 2 yards
- Assorted quilting cotton fabrics, solids or monochromatic prints of light, medium and dark values in a range of hues. About 20 choices of 12" squares should be ample to start.
- Additional fabric for backing plus and batting if you wish to make mini quilts
